

Bridges

The strongest bonds are built in person.

We know your students have questions about college. That's why Miami University created Bridges, an overnight visit program for high-achieving high school seniors (class of 2014) from diverse backgrounds.

Your students can get their questions answered and start building their own bonds. They will meet the people they can count on for help and will make new friends. Bridges participants also have the opportunity to participate in an academic class and enjoy meals in our award-winning dining halls.

Miami will cover their food, lodging, entertainment, and some travel costs. Students who complete Bridges, gain admission for fall 2014, and enroll at Miami's Oxford campus will receive a \$10,000 scholarship (\$2,500 per year)!

More than any brochure or website can convey, the Bridges overnight program will provide your students with a real college experience. Students should apply online at MiamiOH.edu/bridges. The application deadline is Monday, September 16, 2013.

2013 Bridges dates:

Session I: October 27-28
Session II: November 3-4
Session III: November 10-11
Session IV: November 17-18
