

March 14, 2013

Dear ,

Congratulations! On behalf of President David C. Hodge and the Admission Committee, it is my great honor to offer you admission to Miami University's Class of 2017.

I encourage you to take a careful look at the accompanying accepted student packet, as it contains information about important "next step" items, including the enrollment deposit, housing, financial aid, and more. Likewise, I invite you to visit our website for accepted students at MiamiOH.edu/accepted, where you will find more exciting information about becoming the newest member of the Miami family – an allegiance of alumni, faculty, staff, and students that stretches across the U.S. and around the world.

Our students like to refer to their experience as "what college should be." At Miami, I know you will find a place where students create lifelong friendships, where learning happens inside and outside of the classroom, and where preparing for the future means embarking on an adventure of discovery. Our alumni remember their time here as some of the best years of their lives.

It is evident that you have the talent and drive to excel at Miami and in your future endeavors. I am confident that Miami will present you with limitless opportunities to discover, learn, and grow while you prepare to make your mark on the world. I sincerely hope you will join our community and discover this for yourself.

Again, congratulations, and welcome to the Miami family – I think you will be a wonderful asset to the Class of 2017 and look forward to seeing you this fall!

Ann L. Larson
Director of Admission
